

## Workshops Programme

27-31 March 2006, Renaissance Hotel, Brussels

### 27 March Workshop 1 The Cogeneration Directive and the Member States

09h30	Welcome by Simon Minett, Managing Director of COGEN Europe
09h45	Keynote – Overview of National Members' Obligations <i>Simon Minett, COGEN Europe</i>
10h10	Keynote – Dutch CHP: Up or Down? <i>Kees den Blanken, COGEN Nederlands</i>
10h35	Keynote – How to Get the Best Out of the Directive From a National Perspective <i>Jesper Lorentzen, Danish Energy Authority</i>
11h00	<b>COFFEE BREAK</b>
11h30	PARALLEL SESSION 1A IMPLEMENTING THE DIRECTIVE Looking at the different approaches taken by Governments and possible improvements Discussions to be led by Northern European Country - UK <i>Syed Ahmed, CHPA</i>
	PARALLEL SESSION 1B IMPLEMENTING THE DIRECTIVE Looking at the different approaches taken by Governments and possible improvements Discussion to be led by Southern European Country - Spain <i>G. Resco, IDAE</i>
	PARALLEL SESSION 1C IMPLEMENTING THE DIRECTIVE Looking at the different approaches taken by Governments and possible improvements Discussion to be led by Enlargement Country - Hungary <i>Gabor Bercsi, COGEN Hungary</i>
13h00	<b>LUNCH</b>
14h00	PARALLEL SESSION 2A BARRIERS TO COGENERATION Looking at policy drivers, barriers, constraints to cogeneration and discussing good practice Discussions to be led by country where policies are favorable - Belgium <i>Wim Beulens, Ministry of Flemish Government Department of Energy</i>
	PARALLEL SESSION 2B BARRIERS TO COGENERATION Looking at policy drivers, barriers, constraints to cogeneration and discussing good practice Discussion to be led by country where policies act as impediment - Italy <i>Maurizio Brancaleoni, ITALCOGEN</i>
16h00	<b>TEA BREAK</b>
16h30	Plenary session to discuss results of parallel sessions
17h00	<b>CLOSE</b>

## 28 March Workshop 2 The Technical Implications of the Cogeneration Directive

	Welcome by Simon Minett, Managing Director of COGEN Europe
09h30	Keynote – Overview of the Technical Requirements <i>Else Bernsen, COWI</i>
10h00	Keynote – What makes a good scheme in terms of CHP Efficiency <i>Robert Harmsen, ECOFYS</i>
10h30	<b>COFFEE BREAK</b>
11h00	PARALLEL SESSION 3A WHAT IS EFFICIENT COGENERATION Looking at assessing efficiencies in non standard systems - small scale biomass CHP
	Discussions to be led by eg Belgium <i>Olivier Squilbin, CWaPE</i>
	PARALLEL SESSION 3B WHAT IS EFFICIENT COGENERATION Looking at assessing efficiencies in industrial processes using steam
	Discussion to be led by - France <i>Maki Yamane, Air Liquide</i>
13h00	<b>LUNCH</b>
14h00	PARALLEL SESSION 4A ANALYSIS OF NATIONAL POTENTIALS Establishing criteria for national potential for efficient CHP
	Discussion to be led by country where renewal necessary - Czech Republic <i>Josef Jelecek, COGEN Czech</i>
	PARALLEL SESSION 4B ANALYSIS OF NATIONAL POTENTIALS Establishing criteria for national potential for efficient CHP
	Discussion to be led by country where cooling is priority - Greece <i>Costas Theofylactos, HACHP</i>
16h00	<b>TEA BREAK</b>
16h30	Plenary session to discuss results of parallel sessions
17h00	<b>CLOSE</b>

### 29 March Workshop 3 Supporting Cogeneration

	Welcome by Simon Minett, Managing Director of COGEN Europe
09h30	Keynote – Overview of Support Mechanisms <i>Michael Brown, WADE</i>
10h00	Keynote – Enlargement and the Directive <i>Fred Starr, DG-RTD Institute for Energy</i>
10h30	<b>COFFEE BREAK</b>
11h00	PARALLEL SESSION 5A WORKING TOWARDS A SUCCESSFUL SUPPORT MECHANISM Looking at what is happening in Member States
	Discussions to be led by Northern European Country - Norway <i>Tormod Spangelo, Polytec</i>
	PARALLEL SESSION 5B WORKING TOWARDS A SUCCESSFUL SUPPORT MECHANISM Looking at what is happening in Member States
	Discussion to be led by Southern European Country - Portugal <i>Alvaro Brandão Pinto, COGEN Portugal</i>
	PARALLEL SESSION 5C WORKING TOWARDS A SUCCESSFUL SUPPORT MECHANISM Looking at what is happening in Member States
	Discussion to be led by Enlargement Country - Slovenia <i>Hinko Solinc, Ministry of Economy, Slovenia</i>
13h00	<b>LUNCH</b>
14h00	Promoting CHP at Different Stages of Development <i>Thomas Bouquet, COGEN Europe</i>
14h30	The Intelligent Energy - Europe Programme: Opportunities to Promote Cogeneration <i>Peter Löffler, Intelligent Energy Executive Agency</i>
15h00	Keynote – Looking at Opportunities in Relation to Other Technologies <i>Estathios Peteves, DG - JRC Institute for Energy</i>
15h30	Panel Discussion
16h00	<b>TEA &amp; CLOSE</b>
